Richard Layton

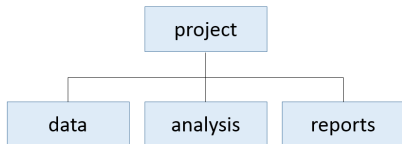

# We focus on three aspects of a reproducible work flow.

**Surveying the reproducible research ecosystem**

**Tutorial: Creating a dynamic document**

**Planning for reproducibility**

## Heading for Topic 1

**This slide introduces a new section (according to the mapping slide)**

**Insert ordinary slide title**

**Insert text, figures, lists, ...**

# Insert ordinary slide title

Here is a 2x2 cell slide with bullet points to the left and a figure to the right.

- ▶ Item 1

- ▶ Item 2

A figure can go here
